

## **CHAPTER V**

### **CONCLUSION**

This chapter presents the conclusion and the suggestion on the student's self concept about English course

#### **5.1 Conclusion**

From the previous chapter, it can be concluded that:

Student's self concept for the 12<sup>th</sup> grade at SMA Muhammadiyah 1 Gresik very good, because of 76 students were selected as sample only found one person who has a negative self-concept. Male and female students of 12<sup>th</sup> grade at SMA Muhammadiyah 1 Gresik had same level in the intellectual, behavior, physical, social and emotional then there was no differences in boy's and girl's self concept. Student's age also does not affect between their positive / negative self concept.

#### **5.2 Suggestion**

1. To achieve the maximum self concept, the teacher may motivate the students, besides the parent always trying to support positive student wishes
2. English has been used for in students future therefore must be learned early.
