

STATEMENT OF AUTHENTICITY

I hereby declare that the content written in this thesis is entirely my own work, not a plagiarism of another person's writing or a citation carried out in ways that are inconsistent with the prevailing scientific ethics, either in part or in whole. The opinions or findings of others contained in this thesis/dissertation are quoted or referenced in accordance with scientific ethical codes. With this statement, I am prepared to bear any risks/sanctions imposed should any violation of scientific ethics be found in this work.
