TEACHER ANSWER THE INTERVIEW

1. He said that, is very appropriate. Because the questions or tasks already appropriate and suitable with the curriculum student here, listening to any media in good enough.
2. He said that, I am very interested. Because, like seen before this media add additional music, picture and seconds can be set native own. But the most important is that every task that is always given a colorful colors and I also seem difficult to make.

The response was good enough. Because, in the listening students often find difficulties because they feel bored and so on. But, with the media CALL (Computer Assisted Language Learning) is to make the children feel like to listen and answer.
3. He said that, it can help the teacher. This is a new breakthrough that makes learning more enjoyable, especially in listening. I also find it very helpful as a teacher and found a new method, I am very pleased with this product and find it very helpful.
4. He said that, it could spur. It can be seen from the response of the students are very happy to receive it as a very good question that you give huge members. But they really enjoyed the question, students also did not patient to wait what song would played again and especially picture to be displayed. About motivation problem. He said that, it would be very

motivated because as I said earlier this is a new breakthrough made in listening to dispel the boredom.

5. He said that, this media is easily controlled as long as we have a program.

In use it was easy. I have tried and did not feel bored. I also want to continue learning this kind of media. So, that children do not get bored , I did not need hard to find native sound like, pretty native sound, but I can record it with my self. I also can edit and control the volume and absolutely it is new science for me.

6. He said that, it is perfect. Because listening need of a new innovation, and this media is easily accepted, easy to used, and easily understood. CALL (Computer Assisted Language Learning) is very nice and interesting to used in listening process, CALL (Computer Assisted Langauge Learning) is also easy to operate and of course this media is very suitable to use in teh listening materi

Last holiday, I went to Surabaya with my friend for vocation. We went there on a night bus.

When we arrived in Lamongan, the bus stopped at a small restaurant for a rest. I got off the bus to get a cup of ginger tea, and my friend drank some cold lemonade.

Then I went to the toilet. It look only a few minutes.

When I came out again, the bus was not there. It had gone! My friend was not there to. Feeling shocked and confused, I asked a waiterss about the bus. She said that the bus departed about five minute ago.

I tried to call my friend on my cell-phone, but the battery was running low.

I could not do anything but hope and pray. After several minutes, my wish came true. The bus came back! I got on the bus and walked to my seat.

I was so ashamed when everybody on the bus looked at me. I could feel face turn red.
