Abstraksi

Penelitian ini bertujuan untuk mengetahui faktor-faktor yang mempengaruhi tingkat *underpricing* saham dengan menggunakan variabel-variabel yang mengalami inkonsistensi hasil dari penelitian-penelitian terdahulu yaitu reputasi *auditor*, prosentase penawaran saham, umur perusahaan, dan *leverage*. Penelitian ini menggunakan 84 perusahaan sebagai sampel yang dipilih melalui metode purposive sampling. Pengujian hipotesis dilakukan menggunakan uji regresi linear berganda. Dari pengujian hipotesis pada penelitian ini diperoleh hasil bahwa reputasi auditor dan umur perusahaan secara signifikan berpengaruh terhadap tingkat *underpricing* saham. Sedangkan dua variabel lainnya, yaitu prosentase penawaran saham dan *leverage*, tidak berpengaruh signifikan terhadap tingkat *underpricing* saham.

Kata kunci: *underpricing*, reputasi *auditor*, prosentase penawaran saham, umur perusahaan, *leverage*.

Dita Aisiya Ulfa, 15311047, *The Effect of Auditor Reputation, Percentage of Shares Offering, Company Age, and Leverage on Underpricing of Listing Companies in Indonesia Stock Exchange during The Period of 2013-2017*, Management, Faculty of Economics and Business, Muhammadiyah Gresik University, March, 2019

Abstract

This research aims to find out the factors affecting underpricing by retest the inconsistent variable from the previous empirical studies such as auditor reputation, percentage of shares offering, age company, and leverage. There are 84 companies which is selected as the sample by using purposive sampling method. This research use multiple regression analysis to analyse data. The results shows that auditor reputation and age company have significant affect on undepricing, while percentage of shares offering and leverage have insignificant affect on underpricing.

Keywords: undepricing, auditor reputation, percentage of shares offering, age company, leverage.
