

Chapter V

Conclusion and Suggestion

This chapter presents conclusions and implications. Some suggestions are given in the last part of this chapter.

5.1 Conclusion

According to the result, the researcher concluded that the goal of this study is to develop EAP materials for the Law Department at the University of Muhammadiyah Gresik. The researcher develops the materials based on the need analysis. Need analysis process was conducted with the Law Department lecturer and lecturer of the Language Centre. The topic and the content of the materials are related to the Law Department. The researcher also develops the Lesson Plan of the Semester (RPS) and Plan of Meeting (RTM). The materials also validated with some experts. The researcher designs the material with start from the easiest until the hardest there are 4 activities in every skill those are decide activity, research activity, create activity and reflect activity. The content of the materials is Introductory of Law, Civil Law, Criminology of Law, Constitutional of Law, Sociology of law, and Customary Law. In each chapter consist of vocabulary building, language expression, and language focus.

5.2 Suggestion

5.2.1 Suggestion for students of the Law Department

This English module can be used as a guideline to learn English using the law department context.

5.2.2 Suggestion for Language Centre Lecturer

The materials can be used as a reference in teaching activities.

5.2.3 Suggestion for future Researcher

The researcher developed the EAP material for EAP class in the Law Department at the University of Muhammadiyah Gresik. The future researcher can develop the material with other approaches or develop the material for other study programs.
