

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

This chapter is the last chapter which consists of conclusion of the study and suggestions from the researcher.

#### **5.1 Conclusion**

The researcher can conclude from the research analysis of English textbook “Effective Communication” for 2<sup>nd</sup> year student of SMK based on criteria proposed by Jahangard that this book has fulfilled the thirteen criteria and been determined as Pre- communicative level of activities because the communicative activities which are provided in the book rather in written form than oral activities. Besides, the book is relevant with the *KTSP* curriculum.

The English textbook “Effective Communication” is good to be used for 2<sup>nd</sup> year student of SMK based on its fulfillments to the criteria and curriculum but needs improvements especially for visual materials.

#### **5.2 Suggestion**

Based on the results of the study, there are some suggestions that can be offered to certain parties. First, teachers can use the results of the study as the information when they want to use “Effective Communication for 2<sup>nd</sup> Year SMK”. They will know which aspects of the book which should be improved.

Second, the writers of the book can improve parts of the book which is still bias in the next edition and for further researchers can conduct the same study for other English textbook, or continue this study for the in-use and post-use evaluation.
