TRANSCRIPT OF INTERVIEW RESULT

“Teaching English Vocabulary Using Word Chain for Fourth Grader
at SDN Gulomantung Kebomas Gresik“

Date/day : Monday, January 30th, 2012

1. Penulis : **Apakah ibu menggunakan media Word Chain dalam pengajaran kosakata bahasa inggris selama ini? Tolong dijelaskan!**
 Guru : Ya, saya menggunakan media word chain dalam pengajaran kosakata bahasa inggris

2. Penulis : **Apa yang ibu ketahui mengenai media word chain?**
 Guru : Ehm.. seperti yang saya tahu, word chain adalah salah satu media pengajaran. word chain itu seperti permainan kata, yaitu membuat kata baru yang berhubungan dengan kata yang lama.

3. Penulis : **Sudah berapa lama ibu menggunakan word chain dalam pengajaran kosakata bahasa inggris?**
 Guru : Saya sudah menggunakan media word chain ini mulai tahun pelajaran 2009 - 2012 sampai sekarang, jadi kurang lebih 3 tahun ini.

4. Penulis : **Mengapa ibu lebih memilih menggunakan media word chain dalam pengajaran kosakata dari pada media-media lain? Tolong jelaskan!**

- Guru : Secara Psikologi, anak-anak suka games atau suka bermain sambil belajar, khususnya untuk anak-anak sekolah dasar. Mereka lebih mudah memahami apa yang mereka pelajari melalui permainan. Jadi, saya mencoba untuk mengimplementasikan word chain ketika mengajar kosakata bahasa inggris untuk membuat murid – murid saya lebih menguasai kosakata .
- 5. Penulis : Bagaimana ibu mengimplementasikan word chain dalam pengajaran kosakata sejauh ini? Jelaskan!**
- Teacher : Setelah saya menjelaskan materi, saya menyuruh murid-murid saya menyebutkan beberapa kosakata yang berhubungan dengan materi ajar. Setelah itu, saya memberikan mereka word chain yang berhubungan juga dengan materi. Saya menyuruh mereka membaca word chain selama 2-3 menit. Kemudian, saya meminta mereka untuk mencocokkan kosakata yang ada pada word chain dengan gambar yang sesuai secara berkelompok.
- 6. Penulis : Apa kelebihan dan kekurangan dalam pengajaran kosakata bahasa inggris menggunakan word chain?**
- Guru : Ehm.. saya rasa kelebihan menggunakan word chain ketika mengajarkan kosakata, mungkin mudah dalam mengimplementasikannya dalam pengajaran saya. Word chain dapat membuat murid-murid saya memahami lebih kosakata bahasa inggris dan juga membuat mereka lebih aktif didalam kelas. Sedangkan kelemahannya, saya selalu menyuruh murid-murid saya membaca kosa kata yang berhubungan dengan materi terlebih dahulu sebelum melakukan kegiatan selanjutnya, mungkin itu membuat mereka sedikit bosan dan beberapa dari mereka pasif didalam kelas.

- 7. Penulis : Apakah teknik pengajaran yang ibu gunakan ketika menggunakan word chain dalam proses pengajaran kosakata bahasa inggris? Tolong jelaskan!**
- Guru : Saya menggunakan beberapa teknik pengajaran ketika mengimplementasikan word chain, seperti menulisnya di papan tulis dan mencocokkan kata pada word chain dengan gambar.
- 8. Penulis : Bagaimana hasil dari penguasaan kosakata siswa selama ibu mengimplementasikan word chain dalam pengajaran kosakata bahasa inggris?**
- Guru : Menurut saya, penguasaan kosakata murid-murid saya meningkat sejauh ini. Saya rasa lebih baik dari sebelumnya. Sekarang mereka bias menguasai semua kosakata yang saya ajarkan setiap pertemuan dengan baik.
- 9. Penulis : Apa saja masalah yang ibu hadapi ketika mengimplementasikan word chain dalam pengajaran kosakata? Jelaskan!**
- Guru : Saya rasa masalah-masalah tersebut muncul dari murid-murid saya sendiri. Mungkin disebabkan karena perbedaan murid atau heterogen. Masing-masing dari mereka mempunyai karakter, kepribadian dan kemampuan bahasa Inggris yang berbeda-beda. Ada beberapa dari mereka yang mempunyai kemampuan bahasa Inggris lebih dan sebaliknya, sehingga yang mempunyai kemampuan lebih aktif dalam mengikuti pelajaran begitupun sebaliknya dengan siswa yang berkemampuan kurang. Tetapi siswa yang berkemampuan lebih dalam bahasa Inggris sangat individual. Mereka tidak mau membantu yang lainnya, sehingga yang berkemampuan kurang sangat pasif didalam kelas

10. Penulis : Bagaimana ibu mengatasi masalah – masalah yang muncul dalam proses pengajaran kosakata menggunakan word chain?

Guru : Saya biasanya mengatasi masalah tersebut dengan lebih perduli tanpa membeda-bedakan kemampuan mereka. Seumpama ada murid yang pasif didalam kelas, saya biasanya memberi mereka semangat dan membangun percaya diri mereka supaya bisa aktif seperti teman-teman yang lainnya. Saya juga selalu mengatakan kepada mereka bahwa mereka pasti bisa jika mereka mau mencoba. Saya selalu mengingatkan mereka untuk tidak takut membuat kesalahan dalam belajar, yang terpenting buat saya mereka aktif didalam kelas. Untuk mengatasi masalah lainnya, saya biasanya membuat kelompok belajar supaya murid yang mempunyai kemampuan lebih bisa membantu yang lainnya.
