

**EXPLORING TECHNOLOGY-BASED ENGAGEMENT IN
EFL CLASS: DIVERSITY OF LEARNING STYLE**

THESIS

**ENGLISH EDUCATION DEPARTMENT
FACULTY OF TEACHER TRAINING AND EDUCATION
UNIVERSITY OF MUHAMMADIYAH GRESIK**

2021

ACKNOWLEDGEMENTS

The preparation of this thesis can be completed properly and on time thanks to the help and support of various parties. Therefore, in this occasion the author would like to thank to:

1. Allah SWT who has bestowed His grace and guidance so that author can complete this thesis. And prayer is always devoted to the Prophet Muhammad SAW.
2. My mother, my father, and my sister who always gave support and prayer for the completion of this thesis.
3. Dr. Yudhi Arifani, M.Pd. and Ulfatul Ma'rifah, M.Pd. as my advisors always gave the best suggestion and direction for my thesis.
4. Rohmy Husniah, M.Pd. as the main examiner who has deigned to test my thesis.
5. English Education Department students of University of Muhammadiyah Gresik who have deigned to gave responses for my thesis.
6. All staff and lecturers at the University of Muhammadiyah Gresik, especially in Faculty of Teacher Training and Education.
7. Nurul Masrifah, Febyanti Dewi Wulansari, Kristanty Herawati, and my classmates who always motivate me and become my discussion partners working on this thesis.
8. Aria Dirgantara who always provided support, prayers, and assistance to me and has been a good listener for my weariness.
9. Google Scholar and internet that make me easier working on this thesis.
10. Myself who did not gave up and kept going to finish this thesis.

ABSTRACT

Anintya, Faradisa. 2021. *Exploring Technology-Based Engagement in EFL Class: Diversity of Learning Style*. Thesis, English Education Department, Faculty Of Teacher Training And Education, University Of Muhammadiyah Gresik.
Advisor: (I) Dr. Yudhi Arifani, M.Pd. (II) Ulfatul Ma'rifah, M.Pd.

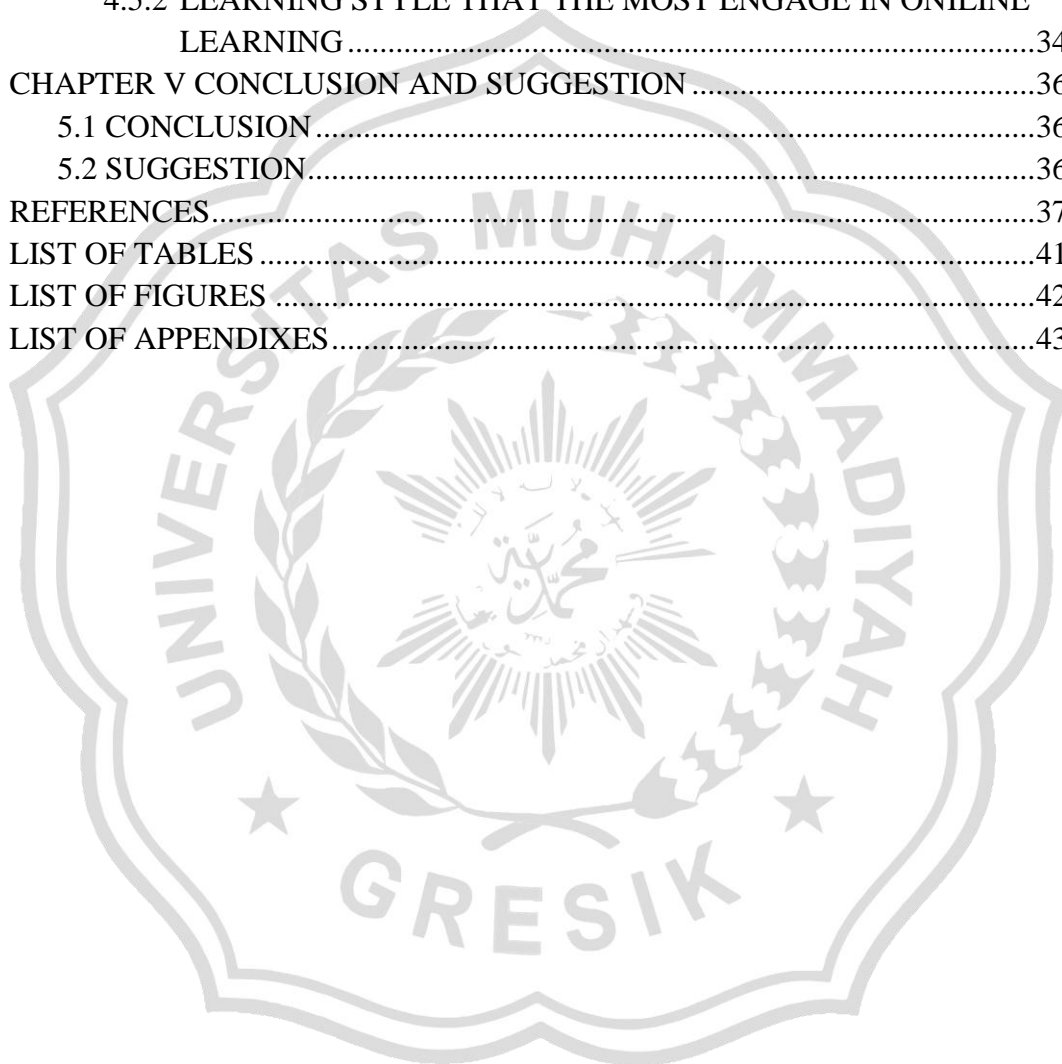

Keyword: students' learning style, technology, students' online engagement

This research aimed to find out the influence of EFL students' learning style on students' online engagement using technology-based learning in online environment. This is a quantitative research with survey method. Data were collected with two questionnaire. Data analysis method used Pearson correlation and multiple regression analysis. Respondent in this research were 127 English Education Department students at University of Muhammadiyah Gresik in the odd semester of the 2020/2021 academic year. This research found that EFL students' learning style have a positive correlation on students' online engagement and the learning style type most influences students' online engagement is Tactile learning style.
