When submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to the Cypriot Journal of Educational Sciences (CJES), your revised manuscript should be submitted by 16-Apr-2021. If it is not possible for you to submit your revision by this date, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to the Cypriot Journal of Educational Sciences (CJES) and I look forward to receiving your revision.

Sincerely,

Prof. Dr. Hüseyin Uzunboyu

Reviewer(s) Comments to Author:

Reviewer: 1

Comments to the Author

The paper is interesting since the author applied a Quasi-experimental research methodology. It will be interesting if you could include an underpinning theory to support your research and it will help to highlight the theoretical contribution in the conclusion part. The abstract can be improved by starting with the importance of collaborative writing and bringing some scenarios and the major finding in the study.

Comments to the Author

- 1) Statistical signs or numbers were used in the summary. It was also used in abbreviations. Abbreviations should not be used in the summary.
- 2) At least 5 keywords should be written.
- 3) A title should be written under the title of "data collection" about the data collection tool, and it should be explained under this heading. Similarly, under the heading "Analysis of Data", the analysis of the data should be explained in detail.
- 4) The article needs up proofreading. There are grammar errors and sentence errors.
