

## DECLARATION OF AUTHORSHIP

I hereby declare that what is written in this thesis is truly my own work, not plagiarized from other people's written work or quoted in ways that are not in accordance with applicable scientific ethics, either in part or in whole. The opinions or findings of other people contained in this thesis are quoted or referred to based on the scientific code of ethics. Based on this statement, I am ready to bear the risks or sanctions imposed if violations of scientific ethics are found in this work.

Gresik, 10<sup>th</sup> August 2023

Who makes Declaration

M. Yazid
